Yamurlak was a kingdom bounded by Arcsea and the Buina and Braa rivers and has fallen under various jurisdictions throughout its history. It is now part of Redania though it's relationship is unknown.

It was once ruled by Abrad, a secular king known for his anger and cruelty. After the death of Abrad, Jamurlak was annexed by Redania during the reign of Radovid IV.

Notes

- In Danusia Stok's translation of the short story "The Lesser Evil" in *The Last Wish* collection, she chose the spelling *Yamurlak*, rather than the original Polish *Jamurlak*.
- In the German translation of this short story Erik Simon[W] chose *Jarmulak* instead of the original. But in this case it is also possible that it is simply a misspelling by mistake.
